Invitation to Confirmation 2027– English translation

Hello,

You are invited to be confirmed next year.

Confirmation is a sacrament, a sign that shows how close God is to us.

You were probably baptized as a child and received your first communion, both are also sacraments. Confirmation is now intended to show that, in the eyes of the Church, you are no longer a child but an adult and can therefore stand up for yourself and your faith.

To this end, at Confirmation you will receive a very special power and strength from God, the Holy Spirit!

Perhaps you have many questions about faith or are searching for the meaning of faith in your life – we will address all of this together during our preparation.

Until your confirmation in fall 2027, you can follow one of our formation paths together with other young people. You can find more information about this in the brochure.

We invite you to attend one of the following information evenings. There you will find more information about the different formation paths, registration, location of confirmation, etc.
